

HAPPY CHOCOLATE VALENTINE'S DAY

On valentine's day,
When we the people of Ghana think of the people
we care about and value,
you are at the top of the list.

Like a rainbow
glistening through the rain,
Like a glowing green spring
after a cold gray winter,
you are a joy and a delight.
Like a good book, a cozy fire,
a cup of cocoa or a bar of sweet chocolate
You are a comfort to us every step of our journey.
We indeed appreciate you.
Happy Valentine's Day!

It has been great to have you not just as partners
But more so as friends
Friends who have never let us down
ACE-Japan and all the cherished partners in Japan would always be on our minds
We never cease to remember the inspiration gained from you
With your support, our desire to bring hope to hopeless societies
have been realised
Through your unflinching support great successes have been achieved
SMILES are glittering broadly on the faces of children in Ghana
You have indeed been a source of change in the lives of many vulnerable
Children, marginalized families and the society at large
Valentine's Day is surely a moment to say Thank you
A moment to remember true friends
We say Happy Valentine's day to you all
